Hanover Area Council of Churches

MARCH 2024

P.O. BOX 1561 | 136 CARLISLE ST.

The old saying “March comes in like a LION and goes out like a LAMB” seems particularly fitting this year, since Easter Sunday occurs on March 31. Already the trees are showing early buds and people have reported seeing robins. Spring officially arrives March 19, but Hanover is looking like SPRING!

The month of March is full of notable holidays and celebrations. After a season of winter weather, it’s not surprising that many of the celebrations in March center around mental health. March is **National Optimism Month**, reminding us all to stay positive. *No matter the severity of winter weather, Spring always follows!*

To begin the month, March 1 is **National Day of Unplugging**. Perhaps a day away from technological devices would help with our mental health and promote optimism. Can’t get away from work on March 1? Why not pick another day in the month as your personal “day of unplugging”. Here’s a great way to unplug from your usual: VOLUNTEER at HACC or another organization for a few hours. There are many great ways to serve your community at HACC within this newsletter. WE NEED YOU! You may be surprised at how giving of your time and talents boosts YOUR mental health, too!

March has a week for secret giving, too: **National Anonymous Giving Week** is March 17-23.

We hope you will consider volunteering your time and talents to our community this Spring!

FROM THE DESK OF THE EXECUTIVE DIRECTOR

As we are in the midst of Lent season, we are called to sacrifice in this time when we unite our lives with that of Christ who prepared to give all for us. It should also be a time of cleansing and joyful connection with the Lord.

On November 2nd of 2023, I went on a total knee replacement procedure. I complained many times how the pain brought dismay to my life. During the beginning of Lent, it made me realized that as humans we complain about the process of pain through recuperation and we also struggle with sacrifices that we need to endure in life.

Just know that Jesus did not come to bring pain and suffering. On the contrary, He came to bring us a prescription for life that leads us to eternal happiness through many sacrifices that we should endure and surrender upon. Being in sync with God and following Him will lead us all to a joyful connection and an understanding of Divine Will. It will bring us closer to heaven, wherein Divine Will reigns supreme.

Many blessings to all of you and keep your focus on Him, our Lord Jesus Christ.

Mirna Wildasin, Executive Director

FEBRUARY BOARD MEETING HIGHLIGHTS

Scott Palermo gave a presentation about his program **TalkAboutSafety**. This is a nonprofit organization that educates children, teens and parents on protection from predators. There are different seminars for children, teens and parents, and all are free. Many thanks to Scott for bringing this organization to our attention. You can learn more at www.TalkAboutSafety.org

Hanover Area Fire and Rescue Chief Tony Clouser presented a check on behalf of his wife. Kim Clouser was the executor of

her cousin Michael Krecko's will. Mike wished to donate a portion from his assets to the Changing Lives Shelter, and we recognized this donation during our February Board meeting.

JEFFERSON AWARD NOMINEE

The Jefferson Awards recognizes local “ordinary” people who perform service to others without expectation of any recognition. Fox43 hosts our local Jefferson Awards, and our Hanover area is represented by nominee Kyle Morin.

Kyle is the owner of K&J Automotive on 239 Ridge Ave. Hanover. Since 2011 he has offered to perform free state vehicle inspections in exchange for 5-10 canned goods. His shop has collection bins for the canned goods, and when the bins are full the donations are delivered to Hanover Area Council of Churches. His estimates donations occur about every week and a half.

Congratulations Kyle on your nomination for a Jefferson Award! We thank you for your commitment and dedication to giving back to your community!

VALENTINE'S LUNCH AT P.A.L.

Showing LOVE to all during Valentine's Day lunchtime!

SEEKING TO FILL OPEN BOARD POSITION

Executive Board Treasurer

The HACC treasurer since 2005, Roger Anderson has requested that HACC find a replacement for him, citing additional personal commitments have entered his life that could hinder his availability to perform the duties of the position. The time frame for transitioning to a replacement is flexible.

Attention to detail is a key attribute for one holding this position. Computer usage is required. All of the computer work for this position may be accomplished in the treasurer's home, or in the HACC office, and may be discussed. The amount of time required to perform the necessary duties varies, but 5 hours per week is a good estimate of the time required to perform the work (excluding meeting attendance). Roger is willing to train his replacement. A written job description is available, as well as other instructional aids for performing the tasks involved.

This position is currently a volunteer one; it would be good for the organization if the replacement would continue as such. However, it is increasingly the case that people are resistant to volunteer for such a position. If a replacement volunteer cannot be found, HACC recognizes that the position would have to become a paid one.

Interested candidates should contact the HACC office to discuss the position.
